Directions:
For this project you will be creating a movie poster based on the book, *Wishtree*. Be as creative as you’d like, pay attention to details, and make it interesting and informative for your audience.

- You can use the provided sheet of 9x12 white cardstock or choose a different firm paper or board.
- The title of the book should stand out on your movie poster along with the author’s name.
- Your name should be listed as the director.
- A major illustration should be the focus of your poster. (DO NOT copy the book cover)
- The illustration should show the audience the setting and theme of the book.
- “Cast” at least 3 famous stars as main characters of your movie. These should be named and pictured on your poster.
- Include 2 quotes from the book that demonstrate the main idea of the book.
